BRADLY T. MURRAY CPA LLC

Independent Auditor's Report

To the Board of Directors of the
Wayne County Community Foundation:

Opinion

I have audited the accompanying financial statements of the Wayne County Community Foundation (the "Foundation"), a nonprofit organization, which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Wayne County Community Foundation as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Wayne County Community Foundation and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Report on Supplementary Information

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of Donations and Schedule of Grants, Awards and Scholarships on pages 19 to 23 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Additional Information

The accompanying additional information on pages 24 to 26 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, I express no opinion on it.

Wayne County Community Foundation

Notes to Financial Statements
June 30, 2024 and 2023

1. Nature of Operations and Summary of Significant Accounting Policies

The major accounting principles and practices followed by the Wayne County Community Foundation (the "Foundation") are summarized below:

Nature of Operations

The Wayne County Community Foundation, (the "Foundation"), a non-profit organization, is a nonstock, not-for-profit corporation located in Honesdale, Pennsylvania. The Foundation was formed to establish endowment funds for the benefit of charitable purposes serving the residents of Wayne County, Pennsylvania.

The Foundation evaluated subsequent events for recognition or disclosure through February 12, 2025, the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting, whereby support and revenues are recognized when earned and expenses are recognized when incurred. All contributions are considered to be available without donor restriction unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions that increases that net asset class.

Net Assets

The Foundation reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets with donor restrictions and net assets without donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Foundation, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Wayne County Community Foundation

Notes to Financial Statements

June 30, 2024 and 2023

Net assets with donor restrictions are subjected to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, such as those where the donor stipulates that resources be maintained in perpetuity.

Cash and Cash Equivalents

The Foundation considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Loans Receivable

The Foundation established a revolving micro-loan program whereby borrowers may obtain loans in the maximum amount of \$12,000 for a term not to exceed 3 years at an interest rate ranging between 2% and 4%. The outstanding balance of loans receivable was \$10,407 at June 30, 2024 and \$18,471 at June 30, 2023.

Investments and Investment Risk

Investments in marketable equity securities and mutual funds are carried at fair value based on quoted market prices of the underlying securities. The carrying amount of cash and short-term investments approximates fair value.

The cost basis of investments received as gifts from donors is the fair value at the date the donation is made. The cost basis of investments sold is determined using the specific identification method.

The Foundation's investments are comprised of a variety of financial instruments and are managed by investment advisors. The fair values reported in the statement of financial position are subject to various risks including changes in the equity markets, the interest rate environment and general economic conditions. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the fair value of investment securities, it is reasonably possible that the amounts reported in the accompanying financial statements could change materially in the near future.

Property and Equipment

The Foundation capitalizes acquisitions of property and equipment in excess of \$500. Property and equipment consist of technology equipment and leasehold improvements and is recorded at cost. Depreciation is computed using the straight line method based on the estimated useful life of each classification of depreciable or amortizable asset. Total accumulated depreciation was \$14,001 at June 30, 2024 and \$6,621 at June 30, 2023. Depreciation expense was \$8,210 in 2024 and \$5,921 in 2023.

Depreciation for property and equipment is computed using the straight-line method over estimated useful lives ranging from 3-7 years.

Wayne County Community Foundation

Notes to Financial Statements
June 30, 2024 and 2023

Refundable Advances

The Foundation reports refundable advances on the accompanying financial statements. Refundable advances arise when the Foundation receives resources before it has a legal claim to them, as when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when the Foundation has a legal claim to the resources, the liability is removed and revenue is recognized.

Revenue Recognition

Exchange Transactions

Revenue is recognized as an exchange transaction when the resource provider is receiving commensurate value from the Foundation in exchange for the resources provided. This may include sales or other fee-for-service arrangements. Revenue is recognized when it is earned. If resources are provided in advance of the transfer of commensurate value, deferred revenue is reflected in the statement of financial position.

Contributions

Revenue is considered a contribution to the Foundation if commensurate value has not been exchanged.

Conditional gifts occur when a barrier has been established by the donor and the donor has a right to be released from the commitment to the Foundation. Conditional gifts are not recognized as revenue until the barrier has been overcome and the donor's right of release has been satisfied. Conditional gifts that have been received are reported as refundable advances until the barrier has been overcome. In subsequent periods, when revenue recognition criteria are met, or when the Foundation has a legal claim to the resources, the liability of refundable advance is removed from the statement of financial position and revenue is recognized.

Unconditional gifts occur when no barrier to recognition exists, or the gift does not include a donor release. These unconditional gifts may continue to carry restrictions on the purpose or application. As such, unconditional gifts may include promises to give and may be included in net assets with donor restrictions or net assets without donor restrictions. All unconditional contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods, or that are restricted by the donor for specific purposes, are reported as net assets with donor restrictions. When a temporary restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions other than cash are recognized at the estimated fair value at the time of donation.

Wayne County Community Foundation

Notes to Financial Statements

June 30, 2024 and 2023

Government Grants and Contracts

Revenue from contracts and grant agreements may be recognized as exchange transactions or contribution revenue based on the underlying terms of the grant agreement. Fee-for-service contracts are evaluated to determine if the resource provider is contracting for specific services and receiving commensurate value (exchange transaction) or if the benefit is received by the general public and considered incidental to the resource provider (contribution). Cost-reimbursement grants are evaluated under the same premise.

Donated Services

Donated services are recognized if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Foundation. Volunteer-provided services are not recognized as contributions in the accompanying financial statements since the criteria for recognition are not met.

Income Taxes

The Foundation is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code (the "Code") and is exempt from federal income taxes on its exempt income under Section 501(a) of the Code.

Accounting principles generally accepted in the United States of America prescribe rules for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the Foundation's tax returns. Management has determined that the Foundation does not have any uncertain tax positions that require adjustment to the financial statements. Generally, the Foundation is no longer subject to examination by taxing authorities for fiscal years before 2021.

Advertising

The Foundation uses advertising to market and promote its programs and offerings to the Wayne County community. The costs of advertising are expensed as incurred and amounted to \$19,235 in 2024 and \$14,733 in 2023.

Functional Expense Allocations

The statement of functional expenses presents the natural classification of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include personnel costs, gatherings and meetings, website costs, and software costs, which are allocated on the basis of specific identification or management's estimate of time and effort.

Reclassifications

Certain 2023 amounts have been reclassified to conform to the 2024 presentation.

Wayne County Community Foundation

Notes to Financial Statements

June 30, 2024 and 2023

Leases

The Foundation leased office space from an unrelated party under the terms of a month-to-month lease at a fixed monthly cost plus a portion of utility charges for the building. Effective October 1, 2023, the Foundation signed a five-year lease to occupy office space at a new location in Honesdale, Pennsylvania through September 2028. Management has elected not to apply the provisions of Accounting Standards Update (ASU) 2016-02, *Leases* (Topic 842) issued by the Financial Accounting Standards Board (FASB) because the amounts are not material the Foundation's financial statements. Lease costs, including rent and utilities, were \$28,899 in 2024 and \$10,830 in 2023.

The following is a summary of future minimum lease payments under this agreement:

Year Ending June 30:

2025	\$	21,000
2026		22,350
2027		23,655
2028		24,838
2029		<u>6,284</u>
Total minimum lease payments	\$	<u>98,127</u>

2. Investments and Fair Value Measurements

Investments at fair value consist of the following at June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 4,823,699	\$ 4,205,030
Common stocks	3,578,035	3,430,114
Money market funds	1,964,318	1,378,487
Exchange-traded funds	1,685,455	1,487,027
U.S. government obligations	562,836	85,896
Corporate bonds and notes	385,426	731,231
Certificates of deposit	324,481	149,749
U.S. government agency obligations	248,449	278,114
Preferred stocks		<u>7,034</u>
Total	<u>\$ 13,572,699</u>	<u>\$ 11,752,682</u>

Wayne County Community Foundation

Notes to Financial Statements

June 30, 2024 and 2023

Net investment gain for the years ended June 30, 2024 and 2023 are as follows:

	<u>2024</u>	<u>2023</u>
Dividend income	\$ 242,672	\$ 221,086
Interest income	110,292	56,976
Realized gains	74,881	84,502
Unrealized gains (losses)	<u>999,605</u>	<u>602,406</u>
Subtotal	1,427,450	964,970
Less investment management fees	<u>104,437</u>	<u>84,069</u>
Total	<u>\$ 1,323,013</u>	<u>\$ 880,901</u>

Fair value is an exit price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The inputs to valuation used to measure fair value are disclosed utilizing a valuation hierarchy. The hierarchy prioritizes the inputs into three broad levels as follows:

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities;

Level 2 - Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; or inputs that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument;

Level 3 - Prices or valuation techniques that are unobservable in the market and require significant management judgment or estimation to measure fair value.

A financial asset or liability's classification within the hierarchy is determined based on the lowest level that is significant to the fair value measurement.

Wayne County Community Foundation

Notes to Financial Statements

June 30, 2024 and 2023

The following table presents the Foundation's financial assets and liabilities measured at fair value on a recurring basis, by level within the fair value hierarchy, as of June 30, 2024:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

Wayne County Community Foundation

Notes to Financial Statements

June 30, 2024 and 2023

3. Endowment Funds

The Foundation's endowment consists of numerous individual funds established for a variety of purposes and may include both donor-restricted and Board of Directors designated funds. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Foundation considers various factors in making a determination to appropriate or accumulate donor-restricted endowment funds, including the duration and preservation of the fund, the purposes of the Foundation and the donor-restricted endowment fund, general economic conditions, the possible effect of inflation and deflation, the expected total return from income and the appreciation of investments, the investment policies of the Foundation, and other resources of the Foundation.

The Foundation has adopted investment and spending policies for its endowment that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the underlying assets, both donor-restricted and Board of Directors designated. Endowment assets include those assets of donor-restricted funds that the Foundation must hold for a donor-specified period(s) as well as board-designated funds. Under the investment policy, the endowment assets are invested in a manner that is intended to produce a total return, net of all fees and expenses, equal to or exceeding the spending rate plus expected inflation while incurring only a reasonable and prudent level of investment risk. Actual returns in any given year may vary from this amount.

To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation to achieve its long-term return objectives within prudent risk constraints.

The Foundation has a policy of appropriating for distribution accumulated income and net appreciation of investments as approved by the Board of Directors. This policy is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets held for a specific term as well as to provide additional real growth through new gifts and investment return.

All endowment net assets consisted of donor-restricted net assets as of June 30, 2024 and 2023.

Wayne County Community Foundation

Notes to Financial Statements

June 30, 2024 and 2023

Changes in endowment net assets in 2024 and 2023 were as follows:

	<u>2024</u>	<u>2023</u>
Endowment net assets, beginning	\$11,129,540	\$ 8,949,386
Investment return:		
Investment income	219,734	178,196
Net realized and unrealized gains	<u>950,002</u>	<u>630,974</u>
Total investment return	<u>1,169,736</u>	<u>809,170</u>
Contributions	<u>1,835,746</u>	<u>2,470,395</u>
Less appropriation of endowment assets for expenditures (spending policy)	<u>1,464,345</u>	<u>1,099,411</u>
Endowment net assets, ending	<u>\$12,670,677</u>	<u>\$ 11,129,540</u>

4. Liquidity

The following reflects the Foundation's financial assets as of the date of the statement of financial position, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within 1 year of the statement of financial position date.

	<u>2024</u>	<u>2023</u>
Financial assets at year end	\$ 14,153,998	\$ 12,054,300
Less those unavailable for general expenditures within one year due to donor restrictions	<u>12,670,677</u>	<u>11,129,540</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 1,483,321</u>	<u>\$ 924,760</u>

As part of the Foundation's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

5. Concentrations of Credit Risk

The Foundation maintains its deposit balances at a local financial institution. Accounts at financial institutions are insured by the Federal Deposit Insurance Corporation up to a maximum aggregate amount per depositor, per insured bank, of \$250,000. Balances in excess of FDIC coverage are not insured. The Foundation had balances in excess of the insured amount at June 30, 2024 and 2023.
